BIKE & PEDESTRIAN SAFETY MONTH

Green Ribbon Month has finally arrived! We want to keep your students safe when they are walking and biking, especially to school! You have been provided a [digital toolkit](#) on how to get your school involved this month. Schools that provide documentation of activities done for Green Ribbon Month by September 30th, will be entered into a drawing to win safety gear for their school!

Email Mercedes Maestas (mmaestas@slco.org) with your entries or any questions about Green Ribbon Month!

FEEDUT RESOURCE FOR FAMILIES

If families at your school need extra assistance with food, have them visit FeedUT.org to find the ten closest food pantries. Operation hours and directions for walking, driving or use of public transportation are provided on the site!

For more information, contact Holly King (hoking@slco.org)

SCHOOL COVID-19 INFORMATION

Keeping students, teachers and staff in the school is a top priority to the state of Utah. [Here](#) is a link to the State of Utah's COVID-19 School Manual, where you can find all of the necessary information to help you know how to respond to this pandemic during the school year.

Each school district has also been assigned a SLCo Health Department Liaison. If you need the contact information for your liaison, please email Mercedes Maestas (mmaestas@slco.org)
