The "ZAP" tax, was first approved by voters in 1996, was reauthorized by voters in 2004 and 2014 and will expire at the end of 2026. The tax may be reauthorized for a period of 10 years. Shall Salt Lake County, Utah, be authorized to impose a .1% sales and use tax for the purpose of funding recreational, cultural, and zoological facilities located within Salt Lake County as well as ongoing operating expenses of recreational facilities and botanical, cultural, and zoological organizations, such as the following: 1. Publicly owned or operated recreational facilities such as parks, campgrounds, playgrounds, athletic fields, gymnasiums, swimming pools, and trails, or other facilities used for recreational purposes; and 2. Non-profit organizations, institutions, and municipal or county cultural councils having as a primary purpose of advancement and preservation of history, art, music, theater, dance, or cultural arts; and 3. Non-profit organizations having the primary purpose of advancement and preservation of plant science or zoology through display, research, exhibition and community education. To vote in favor of the ZAP Tax, select the box immediately adjacent to the words "FOR THE ZAP TAX." To vote against the ZAP Tax, select the box immediately adjacent to the words "AGAINST THE ZAP TAX." <input type="radio"/> FOR THE ZOO, ARTS AND PARKS TAX <input type="radio"/> AGAINST THE ZOO, ARTS AND PARKS TAX OFFICIAL BALLOT FOR THE SALT LAKE COUNTY, UTAH LOCAL SPECIAL BOND ELECTION November 5, 2024 Shall Salt Lake County, Utah, be authorized to issue general obligation bonds in an amount not to exceed \$507,000,000 and to mature in no more than twenty-one (21) years from the date of issuance of such bonds for the purpose of providing funds for: 1) acquiring and constructing a Justice and Accountability Center primarily for people who have had multiple encounters with law enforcement and who need a supervised and structured environment with resources to reduce repeat offenses, including for mental health and substance abuse treatment, job related services, and connection to housing opportunities; 2) combining the two county jails into one and increasing capacity, including an expanded mental health unit and a transitional unit to prepare those exiting the jail to reenter the community; 3) completing necessary capital maintenance on existing correctional facilities and 4) acquiring, constructing, expanding, equipping, renovating and remodeling related County public safety facilities and ancillary buildings and, to the extent necessary, for providing monies for the refunding, at or prior to the maturity thereof, of general obligation bonds of the County authorized hereunder or heretofore issued and now outstanding? <input type="radio"/> YES <input type="radio"/> NO PROPERTY TAX COST OF BONDS A general obligation bond is a debt owed by the County. The County uses tax revenue to pay for the debt. If the bonds are issued as planned (which currently consists of 2 smaller issues of bonds totaling approximately \$507,000,000 over the next 5 years, with each issue of bonds maturing approximately 20 years from the date it is issued), without regard to the taxes currently levied to pay outstanding bonds that will decrease over time, an annual property tax to pay debt service on the proposed bonds will be required over a period of 25 years in the estimated amount of \$98.94 per year on a primary residence with the County average value of \$602,000 and in the estimated amount of \$107.16 per year on a business or secondary residence having the same value, which are equal to a monthly increase of \$4.51 for an average residential property and \$8.93 on a business property having the same value. The County currently levies property taxes to pay debt service on other outstanding general obligation bonds that have been issued to finance voter approved projects. The incremental property taxes would decrease upon the repayment of the currently outstanding bonds, but the decrease may not occur if the proposed bonds are issued. Taking into account the repayment of the outstanding bonds, the County expects that the issuance of the proposed bonds, in the manner currently expected, will result in a net property tax increase of \$38.74 per year on a primary residence with the County average value of \$602,000 and a net property tax increase of \$70.43 per year on a business or secondary residence having the same value, which are equal to a monthly increase of \$3.23 for an average residential property and \$5.87 on a business property having the same value. The foregoing is only an estimate and is not a limit on the amount of taxes that the governing body may be required to levy in order to pay debt service on the bonds. The governing body is obligated to levy taxes to the extent provided by law in order to pay the bonds. In addition to the bond payment costs as outlined above, the average annual combined net operational and maintenance costs for these facilities during their first ten years of operation is projected to require additional annual expenditures of \$12,206,135. If approved, the county will determine during its next budget cycle whether additional operational and maintenance costs may or may not require any additional funds from budget cuts or a tax increase. <input type="radio"/> TO VOTE IN FAVOR OF THE ABOVE BOND ISSUE, SELECT THE BOX IMMEDIATELY ADJACENT TO THE WORDS "FOR THE ISSUANCE OF BONDS." <input type="radio"/> TO VOTE AGAINST THE BOND ISSUE, SELECT THE BOX IMMEDIATELY ADJACENT TO THE WORDS "AGAINST THE ISSUANCE OF BONDS." <input type="radio"/> FOR THE ISSUANCE OF BONDS <input type="radio"/> AGAINST THE ISSUANCE OF BONDS OFFICIAL BALLOT PROPOSITION FOR MURRAY CITY SCHOOL DISTRICT, UTAH SPECIAL BOND ELECTION NOVEMBER 5, 2024  Business Administrator PROPOSITION Shall the Board of Education of the ("Board") of Murray City School District, Utah (the "District"), be authorized to issue General Obligation Bonds in an amount not to exceed One Hundred Twenty-Five Million Dollars (\$125,000,000) (the "Bonds") for the purpose of financing all or a portion of the costs of constructing, furnishing and equipping new school facilities and improving existing facilities; said Bonds to be due and payable in not to exceed twenty-one (21) years from the date of issuance of the Bonds? Property Tax Cost of Bonds: If the Bonds are issued as planned (and without regard to the existing taxes currently paid for existing bonds ("Existing Bonds") that will reduce over time), a property tax sufficient to pay debt service on the Bonds will be required over a period of twenty (20) years in the estimated average amount of \$268 per year on a \$538,400 primary residence and in the estimated average amount of \$487 per year on a business property having the same value. As noted above, the District has other Existing Bonds for which a tax decrease would occur upon the retirement of the same, which may not occur if the proposed bonds are issued. However, the combination of the scheduled retirement of the Existing Bonds and the issuance of the proposed Bonds, as planned, is expected to result in a net average property tax rate increase of \$152 per year on a \$538,400 primary residence and in a net average property tax rate increase of \$240 per year on a business property having the same value. The foregoing information is only an estimate and is not a limit on the amount of taxes that the Board may be required to levy to pay debt service on the Bonds. The Board is obligated to levy taxes to the extent provided by law in order to pay the Bonds. The amounts are based on various assumptions and estimates, including estimated debt service on the Bonds and taxable values of property in the District. <input type="radio"/> FOR THE ISSUANCE OF BONDS (YES) <input type="radio"/> AGAINST THE ISSUANCE OF BONDS (NO) OFFICIAL BALLOT PROPOSITION FOR THE CITY OF COTTONWOOD HEIGHTS, UTAH SPECIAL BOND ELECTION NOVEMBER 5, 2024  City Recorder PROPOSITION Shall the city council (the "Council") of the city of Cottonwood Heights, Utah (the "City"), be authorized to issue General Obligation Bonds in an amount not to exceed Thirty Million Dollars (\$30,000,000) (the "Bonds") for the purpose of financing and refinancing a portion of the costs to acquire and improve land (including prior bond carrying costs for the same), provide public open space and amenities, pedestrian improvements, and other needed infrastructure to facilitate economic development, community events and activities in and around the City's proposed Town Center at approximately 2300 East and Fort Union Blvd. Said Bonds to be due and payable in no more than thirty-one (31) years from the date of issuance of the Bonds? Property Tax Cost of Bonds: If the Bonds are issued as planned, a property tax sufficient to pay debt service on the Bonds will be required over a period of thirty (30) years in the estimated average amount of \$134.89 per year on a \$770,100 primary residence and in the estimated amount of \$245.28 per year on a business property having the same value. The foregoing information is only an estimate and is not a limit on the amount of taxes that the Council may be required to levy to pay debt service on the Bonds. The Council is obligated to levy taxes to the extent provided by law in order to pay the Bonds. The amounts are based on various assumptions and estimates, including estimated debt service on the Bonds and taxable values of property in the city of Cottonwood Heights, Utah. <input type="radio"/> FOR THE ISSUANCE OF BONDS (YES) <input type="radio"/> AGAINST THE ISSUANCE OF BONDS (NO) OFFICIAL BALLOT FOR THE BOARD OF EDUCATION OF SALT LAKE CITY SCHOOL DISTRICT, UTAH LOCAL SPECIAL BOND ELECTION November 5, 2024  Salt Lake City Schools Election Officer Shall the Board of Education of Salt Lake City School District, Utah, be authorized to issue general obligation bonds in an amount not to exceed \$730,000,000 and to mature in no more than twenty-one (21) years from the date of issuance of such bonds for the purpose of raising money for constructing and acquiring buildings and furnishings and remodeling and updating existing school property, under the charge of the Board, and, to the extent necessary, for providing monies for the refunding, at or prior to the maturity thereof, of general obligation bonds of the Board authorized hereunder or heretofore issued and now outstanding? If the bonds are issued as planned (which currently consists of 5 smaller issues of bonds totaling approximately \$730,000,000 over the next 5 years, with each issue of bonds maturing approximately 20 years from the date it is issued), without regard to the taxes currently levied to pay outstanding bonds that will decrease over time, an annual property tax to pay debt service on the proposed bonds will be required over a period of 25 years in the estimated amount of \$220.80 per year on a primary residence with the District average value of \$576,000 and in the estimated amount of \$411.40 per year on a business or secondary residence having the same value, which is equal to a monthly increase of \$18.40 per month on the primary residence and \$33.45 per month on a business or secondary residence. The Board currently levies property taxes to pay debt service on other outstanding general obligation bonds that have been issued to finance voter approved projects. The incremental property taxes would decrease upon the repayment of the currently outstanding bonds, but the decrease will not occur if the proposed bonds are issued. Taking into account the repayment of the outstanding bonds, the Board expects that the issuance of the proposed bonds, in the manner currently expected, will result in an estimated tax increase in the amount of approximately \$205.42 per year on a primary residence with the District average value of \$576,000 and of approximately \$373.49 per year on a business or secondary residence having the same value, which is equal to \$17.12 per month on the primary residence and \$31.12 per month on a business or secondary residence. The foregoing is only an estimate and is not a limit on the amount of taxes that the governing body may be required to levy in order to pay debt service on the bonds. The governing body is obligated to levy taxes to the extent provided by law in order to pay the bonds. <input type="radio"/> TO VOTE IN FAVOR OF THE ABOVE BOND ISSUE, SELECT THE BOX IMMEDIATELY ADJACENT TO THE WORDS "FOR THE ISSUANCE OF BONDS." <input type="radio"/> TO VOTE AGAINST THE BOND ISSUE, SELECT THE BOX IMMEDIATELY ADJACENT TO THE WORDS "AGAINST THE ISSUANCE OF BONDS." <input type="radio"/> FOR THE ISSUANCE OF BONDS <input type="radio"/> AGAINST THE ISSUANCE OF BONDS
