REQUEST TO MAKE VOTER REGISTRATION PRIVATE

In accordance with Utah State Law, you may request that all information on your voter registration record be withheld from persons **other than government entities, political parties, candidates for public office, and their contractors, employees and volunteers**, by indicating you want your record classified as “private.” By submitting this REQUEST TO MAKE YOUR RECORD PRIVATE FORM, it means that all information on your voter registration record will be withheld from persons other than government entities, political parties, candidates for public office, and their contractors, employees and volunteers.

To request **additional privacy protection**, you may submit the Withholding Form also available on this website, that allows for your information to also be withheld from political parties, candidates for public office, their contractors, employees and volunteers.

PLEASE BE ADVISED – While this process is designed to protect your voter registration information, with the exception of those to whom it is available as listed above, your information may still be publicly available in other public records and commercially available databases.
