

Vehicle Emissions Inspection Deferral Request for Vehicles Not in Utah

Air Quality Bureau, Environmental Health Division
788 East Woodoak Lane; Murray, UT 84107
385-468-3837; HealthAir@slco.org

An out-of-state deferral from the emissions inspection requires:

- This form, completed in full; failure to provide **ALL** information will result in delay or denial of deferral.
- Verification of vehicle location outside the State of Utah.

If we grant a deferral, you will receive a follow-up email with instructions to complete your vehicle registration.

Section 4: Location Verification

Option 1: Submit a passing emissions inspection completed within the previous 60 days
To find if your vehicle is located where there is an emissions inspection program:

- Visit OBDclearinghouse.com/IMSolutions
- Click on **I/M Jurisdiction Report** in the gray bar
- Select vehicle location from the drop-down menu and click **Generate State Report** button
- Scroll down to **Contact Information** section and contact the program for instructions to obtain an emissions inspection certificate

Must be using [Adobe Reader](#) to sign and submit via button.

If your vehicle cannot be emissions inspected by a local emissions inspection program or there is no program where your vehicle is located, you must follow instructions in Option 2.

Option 2: Submit a VIN Verification Form Completed by an Official Where the Vehicle is Located
If there is no emissions inspection program available where your vehicle is located, you must provide documentation of the vehicle's location by submitting a completed **VIN Verification Form** from a local law enforcement, motor vehicle department, or (if applicable) university/campus or military base law enforcement officer. The form must be signed by the officer. If the local official does not provide a VIN Verification Form, use the VIN Verification Form on the next page.

Submit this completed form, along with either the vehicle's emission certificate (from Option 1) or the completed VIN Verification Form (Option 2), to the mailing or email address at the top of the form.
