

Submission Date: _____

Section 1: Contaminated Property Information:

Street Address _____ ZIP _____
City _____ Parcel Number or VIN _____

Section 2: Contaminated Property Owner Information:

Owner of Record _____ Owner of Record's Representative _____
Owner's Mailing Address _____ City _____
Phone Number _____ Email Address _____ State _____ ZIP _____

Section 3: Decontamination Specialist Information:

Company Name _____ Business Phone _____
Address _____ City _____ State _____ ZIP _____
Contact Person _____ Cell Phone _____
Business License Number _____ Decontamination Specialist Certification Number _____

Section 4: Description of Decontamination:

Detail all decontamination activities that took place on the property:

Section 5: Deviations from Work Plan:

If applicable, describe any deviations from the approved work plan:

Section 6: Sampling Procedure:

Describe the sampling procedures used for each sample collected:

Section 7: Test Results:

Provide a written discussion interpreting the test results for all analytical testing on all samples:

Section 8: Waste Characterization:

Summarize the waste characterization work, any waste sampling and testing results, and transportation and disposal documents, including bills of lading, weight tickets, and manifests for all materials removed from the property:

Section 9: Burn Areas, Trash Pits, and Stains:

If applicable, summarize the observation and testing of the property for evidence of burn areas, burn or trash pits, debris piles, or stained areas:

Section 10: Confirmation Sampling Results:

Provide a written discussion summarizing the confirmation sample results, including a comparison to the decontamination standards outlined in Utah Administrative Rule R392-600, Illegal Drug Operations Decontamination Standards:

Section 12: Attachments

Attach the following:

Photographs documenting each of the sample locations and all sketches that depict sampling areas and areas that were decontaminated.

Label each photograph with the date and location of photograph (e.g. bedroom, bathroom, etc.)

Testing results from the property, including testing for VOCs, corrosives, and any other performed by an analytical laboratory.

Laboratory test quality assurance data on all samples and the chain-of-custody protocol documents.

If applicable: test results for asbestos, lead, and/or mercury testing

Statement of Completion

I hereby certify that the statements in this final report are true and accurate to the best of my knowledge. I further certify that I have complied with the Performance Standards established in R311-500-8 and followed all the procedures established in R392-600. The property has been decontaminated to the standards set forth in the rules.
