CREDIT POLICY DISCLOSURE

The following terms and conditions apply to all credit accounts with the Salt Lake Valley Landfill.

- 1. Bonding:** Before any credit account is opened, the user of the account shall post a cash or penal (insurance) bond equal to three times the average monthly charge, or a minimum of \$1,000.00 whichever is greater. We may request for the bond to be increased based on account usage. Credit extended may only be used to charge disposal fees or to purchase facility product. The cash bond deposit can be made in the form of a check or credit/debit card and will be held as a collateral.
- 2. Credit Limits:** Credit limits are set at 100% of the bond amount. Management reserves the right to refuse additional charges when an account's credit limit has been reached and/or until the account is brought to terms.
- 3. Terms:** Terms are "net 30 days" and account balance is less than the credit limit.
- 4. Late Fee:** A late fee of 1 ½% per month (18% annually) will be charged for any amount on any account that goes unpaid beyond 1 day past the due date.
- 5. Delinquent Accounts:** Any account shall be considered "delinquent" and payable in full when any charges on that account are unpaid 90 days past the due date, and that a payment plan has not been approved. Management reserves the right to "call" on the bond of any account to pay the outstanding balance. Any uncollected balance will be turned over to the County Attorney's Office for collections. Firms or individuals whose accounts are declared "delinquent" are responsible to pay any and all amounts owing, to include service charges and collections fees.
- 6. Return check policy:** A non-sufficient fund (NSF) fee will be assessed on return checks. The treasurer's office will collect the total of the check and the NSF fee.
- 7. Account changes:** Any changes to the account information must be provided to Salt Lake Valley Landfill.
