Note:

In 2014 the Utah State Auditor's Office required the County to recognize taxes which are levied by the County on behalf of other government entities and then passed through to those entities with an equivalent expenditure. Examples include mass transit taxes collected by the state of Utah and forwarded directly to the Utah Transit Authority and the Utah Department of Transportation, incremental property taxes forwarded to various redevelopment agencies within the County, and transient room tax diverted to the Redevelopment Agency of Sandy City for the purpose of servicing debt related to the soccer stadium project.

Effective January 2017, Fund 230 will be used for the Greater Salt Lake Municipal Services District, which will be ordering services on behalf of the newly incorporated metro townships and remaining unincorporated residents. Beginning in 2017, the fund will be a separate entity and no longer a component unit of Salt Lake County. The fund was included in these statements for historical purposes and will be reported separately going forward.

Note:

In 2014 the Utah State Auditor's Office required the County to recognize taxes which are levied by the County on behalf of other government entities and then passed through to those entities with an equivalent expenditure. Examples include mass transit taxes collected by the state of Utah and forwarded directly to the Utah Transit Authority and the Utah Department of Transportation, incremental property taxes forwarded to various redevelopment agencies within the County, and transient room tax diverted to the Redevelopment Agency of Sandy City for the purpose of servicing debt related to the soccer stadium project.

Effective January 2017, Fund 230 will be used for the Greater Salt Lake Municipal Services District, which will be ordering services on behalf of the newly incorporated metro townships and remaining unincorporated residents. Beginning in 2017, the fund will be a separate entity and no longer a component unit of Salt Lake County. The fund was included in these statements for historical purposes and will be reported separately going forward.
