

Men's League

Riverbend Gold Course

12800 South 1040 West

The Riverbend Men's League is one of the largest in the Salt Lake Valley and it continues to grow with over 300 league members registered each year. **Riverbend Men's League plays 9 holes on both sides every Wednesday** throughout the season, which typically begins the first week of April and finishes the last week of October. League members are allowed to play any time on Wednesday but **MUST** play with at least one league member for scoring purposes. **Tee-times are on a first-come, first-serve basis and can be made up to 8 days in advance.**

The Men's League has 4 flights- Champ, A, B, and C. Gross and Net are paid out each week in all 4 divisions. The Men's League will establish and maintain your local club handicap for weekly Men's League play. We recommend players get and maintain a UGA handicap, but it is not required to play in the weekly events.
