Salt Lake County Countywide Policy #1200 on Contributions, In-Kind Assistance, and Fee Waivers

PURPOSE

To establish fiscally-responsible guidelines to equitably evaluate fee waiver requests.

PHILOSOPHY

- Salt Lake County Parks and Recreation strives to be an exceptional steward of facilities, parks, trails and funding to programs and services. To that end, Parks and Recreation charges fees for programs and facility usage to offset the county taxpayer's subsidy.
- Charging fees is a standard practice in the Park and Recreation industry when individuals, private groups or non-profit groups wish to reserve and exclusively utilize public facilities.
- Fees are reviewed annually by staff, then recommended to the Parks and Recreation Citizens Advisory Board for acceptance and approved by the Mayor and adopted by the Salt Lake County Council.
- Fee waivers may be restricted, based on budgetary constraints.

DEFINITIONS

FEE WAIVER: The granting of a reduction or dismissal of a required fee normally charged for a facility.

Eligibility

- Fee waivers may be submitted by non-profit entities providing a direct service that is similar or complimentary to current Salt Lake County goals, programs and services.
- Fee waivers are for established Division facility reservation fees only. Direct costs such as staff time or other Salt Lake County fees are not eligible for a fee waiver or reduction under this policy.
- All fee waiver requests are subject to Salt Lake Countywide Policy #1200 Contributions, In-kind Assistance, and Fee Waivers.

Ineligibility – Fee waivers will be denied for the following:

- Commercial ventures or organizations.
- Events sponsored by private individuals.
- Events or activities that are not open to the public.
- Projects or organizations requesting a fee waiver for previous financial and/or contractual obligations.
- Projects or organizations who have failed to fulfill their financial and/or contractual obligations during previous events or activities for which Parks and Recreation facility fees were waived or reduced.

P&R Responsibility

- The granting of waivers is dependent upon current budget and operating impacts.
- This policy is effective to the extent a fee waiver or reduction can be considered without negatively impacting the division's budget or current operations.
- No employee has the authority to waive, reduce or change an established fee set by the Salt Lake County Council.

Fee Waiver Eligibility Time Limits

- Applicants that receive a fee waiver are not eligible for another facility fee waiver, applicable to this policy, for a period of at least three (3) years.
- Applicants that fail to abide by the requirements set forth here will be ineligible to receive future fee waivers for a period of at least four years (4).

Annual Cap

- The annual cap for Parks and Recreation fee waivers is \$10,000. This amount is reviewed annually and may change depending on fiscal constraints.
- Fee waiver funds are not guaranteed and are subject to on-going budgetary needs and constraints. When fiscally necessary, funds may not be available and may be absorbed back into the Parks and Recreation budget.
- Fee waiver funds are available for the calendar year.
